I.I.T BOMBAY - Mumbai, MH

Certificate of Higher Education : SCIENCE STREAM (GROUP A), 2020
M.M.P HIGH SCHOOL - Surat, GJ

SSC : 10TH, 2018
VIDHYAKUNJ SCHOOL - Surat, GJ

PERSONAL INFORMATION

Title: Engineer of AI/ML Innovation

HOBBIES AND INTERESTS

- Reading
- Listening to Music
- Singing
- Solve Rubik's Cube
- Coding

EXPERIENCE

Cyber Security Intern, 01/2024 - Current
GTU-GEST - Ahmedabad, India

- As an AI/ML engineer with a keen interest in cybersecurity. By applying AI/ML algorithms to cybersecurity, I can develop innovative solutions for threat detection, vulnerability assessment, and incident response. My enthusiasm and expertise in both AI/ML and cybersecurity could lead to groundbreaking advancements in the field, ultimately strengthening digital defenses against cyber threats.

AI Intern, 07/2023 - 10/2023
CODSOFT IT SERVICES - Ahmedabad, India

- During my AI internship, I immersed myself in the realm of artificial intelligence, gaining practical experience in machine learning algorithms and their applications. I collaborated with seasoned professionals to tackle complex problems, enhancing my skills in AI model development and data analysis. This internship deepened my understanding of AI principles and their real-world implications, paving the way for future innovations in AI-driven solutions.

Python Django Developer, 05/2023 - 06/2023
INFOLABZ IT SERVICES PVT LTD - Ahmedabad, India

- During my internship as a Python Django Developer, I gained hands-on experience in developing web applications using the Django framework. I collaborated with a team to design and implement robust, scalable solutions, honing my skills in Python and Django. This internship provided me with valuable insights into software development practices and enhanced my proficiency in backend development with Django.

SKILLS
